#### 5. BRIEF FACTS & OFFENCE NARRATIVE

Reliable intelligence confirmed the operation of an organized transnational cyber fraud and hawala syndicate. Kingpin **Vikramaditya Singhania** directed transactions into mule accounts provided by **Ramesh Chand Patel** using phone endpoint +91-9820194012.

Operational instructions were relayed through field commander **Kabir Sheikh** on +91-9811234901, who dispatched armed courier **Tariq Anwar** in vehicle DL-10-CK-9041 to extract liquid cash.

The digital call detail records (CDR), FASTag toll logs, and bank statements have been cryptographically fingerprinted under **Section 63 of the Bharatiya Sakshya Adhiniyam (BSA), 2023** for forensic link analysis.
